

TESTIMONIALS (Children's magic show)

Private Kids Parties

You did such a wonderful job today - you were so funny and charming and, of course, magical! Our kids are still raving about it. And I got lots of great photos to share with my extended family.

Thanks again for a great, great show. We'll certainly tell all our networks here in Munich about you.

"Rene just did my son's 5th birthday party today and I can only say he is BRILLIANT! The kids had a great time and so did the adults! Terrific show, great humour, great magic. Thanks Rene for helping make it a day our boy won't forget!"

"I thank you very much for being here last Saturday, it was a great show, the children as well as the parents enjoyed your performance very much and my Lucia was very happy, and that was my first objective".

"Rene came to my daughter's birthday party in February and did a wonderful job of keeping 10 eight year olds amused- he had the children in stitches with his deadpan jokes and his magic routines had them confounded.

It was a great option for me to entertain children in an apartment in winter! Highly recommended."

Thanks René!! You did it again. The kids and teachers loved the show and I saw your cards in various people's hands.

They love abra banana and pulling coins out of everywhere including one of the kids bottoms, that went round like wildfire??!! And of course the tie! THANKS!

"An enjoyable experience for all.

It's René Frotscher's third year at Rainbow Preschool Summerfest. The magic show was absolutely wonderful. The children and parents laughed from the time the magic show started and everyone had a smile on their face. He's very interactive with the children. Every year he comes up with new tricks and keeps in mind what he did the previous year.

I highly recommend René the Magician for your next event, whether big or small. He's sure to keep the audiences and all ages mesmerized with mystery and comedy!

Thank you for the wonderful, humorous and magical performance. “

“I first had the pleasure of meeting René at the opening of my new English Language Centre in Eching. He was recommended to me by a friend and I can only say that I am very grateful to my friend. Asking René to perform at the opening was the best thing I could have done.

I wasn't really sure what to expect as I had not seen René perform before. His performance was magical. He had the children totally captured and the adults were laughing the whole time.

To be able to entertain with such professionalism and with such diversity is totally to René's credit.

I don't recall having seen anyone leave the room during the whole of René's performance. The fact that he involved the children in the act was great...he had them won over...

I have already booked René to perform for us at our Christmas break up and parents have even asked if he will be doing the performance. My reply was always followed by a big smile.

I can say in closing that I would recommend René at any venue. Very best wishes and really looking forward to Christmas. “
